4. Q. Can I attend the conference virtually?

- A. No - this conference needs to be attended in person.

The 2022 Congress was available as a virtual event because we had access to a limited number of halls. Also, in 2022 COVID restrictions still operated in some countries which limited travel.

5. Q. Why is the RCR Global Radiology Conference in Dubai?

- A. This is an important event for the RCR as it provides opportunities for our UK and international Fellows and members to network, and to meet members of societies based in the UAE and worldwide. It also exposes delegates to senior radiologists and industry experts from around the globe.

Collaborating with leading organisations in the region helps to raise our profile in the UAE and beyond. Only by building awareness of the career-long support provided by the RCR for doctors and institutions globally, do we ensure that more medical practitioners have access to our world-class education and training expertise – resulting in better outcomes for patients around the world.

7. Q. How can I pay the registration fee?

- A. Payments must be made when you register online at [RCRGlobalConference.com](https://rcrglobalconference.com)

You can either pay by bank transfer or credit card. Visa and Mastercard are both accepted.

We regret that no cash payments can be made at the Conference.

8. Q. Can I get a refund on my registration fee?

- A. I'm afraid that we can't refund registration fees. Please see the Terms and Conditions that appear on the registration form.
